- |  |              |
|--|--------------|
| <b>A Study of the Relationship between Tensile Properties and Microstructure of Austempered Medium Carbon Steel using Rubber Seed Oil as a Quenching Medium</b><br><i>Akor, T., Nyior G. B., Gundu D.T.</i>  | <b>01-08</b> |
| <b>Metal Arc Gas Welding vs. Hybrid Laser MAG Welding</b><br><i>Eng. Abdullah F. A. AlMatrouk, Eng. Ahmad H. N. Al Khaldi</i>  | <b>09-17</b> |
| <b>A Concept of Transit Oriented Development for Support of Connectivity Railway and Settlements Development in Maros South Sulawesi</b><br><i>Ummu Kalsum Basman, M.Yamin Jinca, Shirly Wunas</i>   | <b>18-23</b> |
| <b>Effects of Friction Stir Processing Parameters on the Tensile Strengths of Aluminum 6061 with Al<sub>2</sub>O<sub>3</sub> Investigated Using the Taguchi Approach</b><br><i>Mohd Muzammil Uddin, M. Thirumurugan</i>                                | <b>24-33</b> |
| <b>The Performance of the Training Vessel Unit in Improving the Competence of the Makassar Maritime Science Polytechnic Cadets</b><br><i>Siti Rahima Marasabessy, Ganding Sitepu, Andi Sitti Chairunnisah, M. Yamin Jinca, Muhammad Asdar, Misliah</i> | <b>34-39</b> |
